#### COZY HOMES.

The discovery of a new wick principle-so effective and yet so simple that's its a wonderno one thought of it before has so revolutionized the manufacture of heaters and lamps that explosions, smoke and smell caused by imperfect wick arrangement may safely be regarded as things of the past.

This wick attachment is to be found on the Perfection Oil Heater. Interesting tests show that, although the heater gives intense heat, the wick cannot be turned too high or too low -absolute safety being assured. One other feature which is worthy of mention of the smokeless device which prevents all smoke and odor. The portability of the heater also commends it for general household use. Heater is very light and can be easily carried about. Its simple operation. useful in heating water and warming cold rooms make it a most handy and useful article in any home. This heater is so far superior to other oil heaters, and is of such fair price "int its universal adortion is but a ma ter
